November 20th Tying Midges

Winter fishing means throwing midges and more midges. Come and learn how to tie the U.V. Pearl Jam Midge, K.F. Emerger, UFO Midge, Flasher UFO Midge, Rainbow Warrior, Rojo Midge and the CDC Hanging Midge.

December 4th Tying the Copper John

The Copper John is the hottest selling nymph of all time and for good reason. It catches fish! Join us as we tie it step by step the right way: Heavy and Durable.

December 18th Working with Foam

Foam flies are some of the easiest flies to tie. This class is designed to make it fun and easy to tie durable patterns. Learn to tie the Club Sandwich, Hopper Juan and Amy's Ant.

January 15th Juan's Flies.

Juan's flies are legendary and world known. Not really, but they work pretty well on all the local waters and beyond. Join us to learn how to tie the Glossy Back Baetis, U.V. Pearl Jam Midge, Antero Chronomidge, Turkey Callibaetis Nymph and the X2 Caddis.

January 29th South Platte Flies Part I.

Where to start? You could carry a million flies for every hatch, but let's start with these: Sparkle Wing RS2, PMD Ice Emerger, X-caddis, & the 180° Trico.

February 12th South Platte Flies Part II.

Part two of attacking the South Platte with proven flies. Tie the Mercury RS2, Parachute PMD, Graphic Caddis, & the Griffith's Gnat Trico-ed out.
